

JJ VIRGIN'S  
SUGAR IMPACT DIET  
**2-WEEK**  
COOKBOOK

## ABOUT THE BOOK

You can never have enough recipes! I am feverishly creating more recipes to use during all three Cycles of The Sugar Impact Diet, but in the meanwhile I put together this easy Two-Week Sugar Impact Diet Cookbook to help you sail through [Cycle 2: Transition](#) deliciously!

Remember it's called "[Cycle 2: Transition](#)" for a reason...it comes AFTER Cycle 1: Taper! You may be tempted to jump right in here, but PLEASE promise me you won't. It is critical that you take the time in Cycle 1 to taper from High Sugar Impact foods to Medium Sugar Impact foods before diving into Cycle 2 so you don't get hit with cravings and low energy. You need the time to start the shift from being a sugar burner to a fat burner. The Taper Cycle sets you up for effortless success in Cycle 2.

I also want to remind you to have fun with this cookbook. If you want to trade the chicken for wild salmon or the quinoa for lentils, go for it! Just be sure to follow the portions for each category as shown in the Sugar Impact Plate. And feel free to toss in some extra spices and seasonings, just be sure you are staying in the Low Sugar Impact column of the Sugar Impact Scales listed in The Sugar Impact Diet book.

And if you are hungry for even more recipes I have another great resource for you! I have created a [Conversion Guide](#) for The Virgin Diet Cookbook so that you can use those recipes for The Sugar Impact Diet. You can grab your guide for FREE 😊

[www.SugarImpactDiet.com/Resources](http://www.SugarImpactDiet.com/Resources) And if you don't have The Virgin Diet Cookbook yet you can pick it up at your local bookstore, Amazon.com or BarnesandNoble.com.

## MAIN DISHES

# Seared Scallops in Sweet Pepper-Coconut Sauce

Serves 4

### Ingredients

2 yellow bell peppers  
5 teaspoons ghee, divided  
1 cup chopped yellow onion  
1 10oz So Delicious  
Culinary Coconut Milk  
1 tablespoon fresh lime  
juice  
1 dozen large sea scallops  
Sea salt & freshly cracked  
pepper  
¼ cup tightly packed fresh  
basil leaves  
4 zucchini

### Directions

Preheat broiler with a rack in the upper third position (not directly under the broiler, but the next rung down)

Line a baking sheet with foil and broil peppers, turning occasionally, until blackened on all sides, about 20 minutes. (Alternately, if you have a gas stove, you can roast each pepper over the flames, turning occasionally, until blackened on all sides, about 10-12 minutes.)

Remove peppers and place in a large bowl and cover with a plate to sweat the peppers for 15-20 minutes, or place in a paper bag and fold & tighten the bag to sweat them.

Meanwhile heat 3 teaspoons ghee in a large skillet – preferable cast iron – over medium heat. Add onion and cook, stirring occasionally, until onions are softened and lightly browned, about 4- 5 minutes. Remove onions from skillet and place in a bowl. Wipe out skillet, removing all onion pieces. Set aside.

Remove skin, stem and seeds from peppers, chop roughly and add to bowl with onions. Transfer onions and peppers to blender and add coconut milk, lime juice and a pinch of salt. Blend for about 30-45 seconds or until smooth. Set aside.

Pat scallops dry with a paper towel and season one side with salt and pepper. Heat 1 teaspoon of ghee in skillet over medium high heat. When hot enough to make a drop of water sizzle, add half the scallops, seasoned side down, and season the remaining side with salt and pepper. Cook 3-4 minutes per side, until a crisp, brown crust forms.

Transfer cooked scallops to a plate and tent with foil to keep warm. Add the remaining teaspoon of ghee, if needed, and cook remaining 6 scallops. Remove to tented plate.

Add coconut-pepper mixture and basil leaves to skillet to warm, just 2-3 minutes.

Meanwhile peel the zucchini into thin ribbons with a vegetable peeler and place in on individual plates or bowls.

Place 3 scallops on each of the zucchini “noodles” and top with sauce.

## SOUPS & SALADS

### Ingredients

1 ½ lbs asparagus, trimmed  
1 tablespoon plus 1  
teaspoon olive oil, divided  
1 cup thinly sliced leek,  
white and green part only  
1 celery stalk, minced  
1 teaspoon chopped garlic  
3 cups chicken broth  
1 teaspoon chopped fresh  
thyme leaves, plus extra  
sprigs for garnish  
1 teaspoon champagne  
vinegar  
¼ teaspoon sea salt  
Pinch black pepper

## Asparagus & Leek Soup

Serves 4

### Directions

Preheat oven to 400°.

Place asparagus on parchment paper-lined baking sheet in a single layer, drizzle with 1 teaspoon olive oil and roast 15 minutes, turning once until lightly browned.

Remove from oven and let cool then cut into 1" pieces.

Meanwhile, heat remaining tablespoon of oil in medium saucepan over medium heat.

Add leek and celery and cook 3-4 minutes, stirring occasionally, until leeks are softened.

Add garlic and continue cooking 1 minute, stirring often.

Stir in chicken broth, bring to a boil, reduce heat, cover and simmer 15 minutes.

Add asparagus and thyme leaves and simmer an additional 5 minutes.

Transfer to blender and puree 1 minute until smooth.

Add vinegar, salt and pepper. Puree a few seconds to combine.

Ladle into bowls and top with a couple small sprigs of thyme.

# SOUPS & SALADS

## Ingredients

½ cup walnuts, rough  
chopped  
1 lb. asparagus, trimmed  
3 medium carrots  
5 watermelon radishes (or  
regular radishes)  
4 cups arugula

## Dijon Vinaigrette

¼ cup red wine vinegar  
2 teaspoons Dijon mustard  
1 tablespoon chopped shallot  
¼ teaspoon salt  
Pinch pepper  
½ cup extra virgin olive oil

## Shaved Vegetable Salad with Dijon Vinaigrette

Serves 4

## Directions

Heat a small skillet over medium heat and add walnuts. Cook, tossing often, until lightly toasted, about 4-5 minutes. Remove from skillet immediately to prevent over-cooking.

Bring a pot of salted water to boil. Prepare a large bowl of ice water.

Remove tips from asparagus and place in pot of boiling water. Cook 1-2 minutes until bright green, strain and plunge into bowl of ice water.

Using a vegetable peeler, thinly shave the asparagus stalks and the carrots into thin strips and place in a bowl.

Thinly slice the radishes and add to bowl with asparagus and carrots.

Prepare vinaigrette: In a small bowl, mix vinegar, mustard, shallot, salt and pepper. Slowly whisk in the oil.

Place arugula in a separate bowl and toss with a little of the dressing.

Divide arugula between 4 plates and top with asparagus, carrot and radish mixture.

Drizzle a little more dressing over vegetables and top with blanched asparagus tips and toasted walnuts.

## SOUPS & SALADS

### **Vinaigrette:**

1 large tomato  
¼ cup extra virgin olive oil  
2 tablespoons red wine vinegar  
1 tablespoon minced shallot  
½ teaspoon smoked paprika  
sea salt and pepper to taste

### **Salad:**

1 large bunch Dino/Lacinato kale  
1 teaspoon extra virgin olive oil  
½ teaspoon salt  
15 grape or cherry tomatoes, halved  
1 cucumber, peeled and diced  
1 carrot, shredded  
½ cup pecans, toasted and roughly chopped

## Massaged Kale Salad with Smoky Tomato Vinaigrette

Serves 4

### **Directions**

**Vinaigrette:** Bring a pot of water to boil. Make a small X in the bottom of the tomato and plunge into boiling water.

After 1 minute, remove tomato, let cool briefly, and remove skin.

Add tomato, oil, vinegar, shallot, paprika, salt and pepper to blender and puree until smooth.

**Salad:** Remove stems from kale, and slice leaves into thin ribbons.

Place in large bowl, drizzle with oil and salt and massage the leaves with your hands for about a minute until leaves are soft and color turns emerald green. Continue massaging until you've reached desired tenderness of kale.

Add tomatoes, cucumber and carrot.

Toss to combine.

Drizzle with enough dressing to your taste (you may not use all of it) and top with pecans.
